Upbeat projects tell us about their benefits
- **UNECE:**
 - o **Eva Molnar** (Transport Division, Director):
Are technological solutions really customer friendly?

The panellists will join **John Berry** and **Juhani JAASKELAINEN** for the Panel debate

10.40 – 11.00 Panel debate and questions from the floor

11.00 – 11.30 Coffee break & networking

Second thematic part:
***Does technology kill or heal? Do we lose jobs and competences
or acquire innovative skills in logistics management?***

11.30 – 11.50 Guest speaker:
Lauri Ojala, Professor of Logistics at the Turku School of Economics, Finland, will reflect upon:
***Is a pan-EU logistics tuition programme advisable?
Is Logistics Performance connected with infrastructure
and technology in the same degree?***

11.50 – 12.45 The fire-walk panel

***Freight customers challenge transport service providers on their ability
to use technology to improve their performance, with questions
suggested by shippers.***

in collaboration with the European Shippers Council
coordinator: Nicolette van der Jagt, Secretary General

11.50 – 12.00 Nicolette van der Jagt
introduces the European Shippers Council and the panel objectives
