How to build a SFD

Common Portal

The screenshot displays the RAILFREIGHT LOCATIONS.EU web application. The interface includes a search bar at the top left, a filter sidebar on the left, a central map of Europe with numbered facility markers, and a details sidebar on the right. The filter sidebar contains sections for FACILITY TYPE, AREA TYPE, MODE, RAIL FREIGHT CORRIDOR, LOADING UNIT, CARGO TYPE, and SERVICE, each with a checkbox. The details sidebar shows a FACILITY PREVIEW section with a list of facilities, including their names and operators. A legend at the bottom right explains the facility type colors and symbols used on the map.
