

BUILDING SUSTAINABLE & RESILIENT SUPPLY CHAINS

25 NOVEMBER, 14.00 - 17.30 – ONLINE EVENT

14.00 - 14.30

THE COVID CRISIS – LESSONS LEARNED

- Welcome | **Willem van der Schalk**, CLECAT President
- Keynote | **Magda Kopczynska**, Director for Waterborne Transport DG MOVE
- The Big Picture | **Matthias Bauer**, Senior Economist, ECIPE

14.30 – 15.30

SESSION 1: LINER SHIPPING POST-COVID, A BRAVE NEW WORLD?

The report 'Brave New World – The Future Challenges for Container Shipping' outlined scenarios for the container shipping industry and discussed how the industry may ensure value creation over the next 25 years.

- Have recent disruptions in the maritime supply chain changed this vision on the future?
- What is the value proposition of carriers and who's 'the customer'?
- Has container shipping more than ever become a commodity?

Moderator & presenter: **Peregrine Storrs-Fox** | Risk Management Director, TT Club

Panel:

- **James Hookham** | Secretary General, Global Shippers' Forum
- **Anne Sophie Fribourg** | Director of Ocean Freight Development, Bolloré Logistics
- **Pyers Tucker** | Senior Advisor Corporate Development, Hapag Lloyd AG

15.30 – 16.30

SESSION 2: PLATFORMS – TAKING RISKS AND OVERCOMING FEARS

- Platformization: a risk or an opportunity for the freight forwarders and LSP's?
- How can the forwarding and logistics sector benefit from platforms to optimise their services?
- A European federated data sharing infrastructure as a network of decentralised platforms... what is the state of play and how can European initiatives become business realities?

Moderator: **Norbert Kouwenhoven** | Strategy and Innovation Advisor, Dutch Customs Administration

Panel:

- **Stewart Jeacocke** | Foundation Council Chairperson, TradeLens and Customs, Immigration & Borders Lead, IBM Global Government Centre of Competence
- **Jens Roemer** | Regional Managing Director, a.Hartrodt
- **Matthijs van Doorn** | Director Supply Chain & Logistics, Port of Rotterdam
- **Rudy Hemeleers** | Director, 51Biz

16.30 -17.30

SESSION 3: CLOSING THE GAP - MOVING TO ZERO EMISSIONS LOGISTICS

- Investing in zero emissions solutions whilst optimising solutions that are readily available today – what good policies need to be put in place to move faster to zero emissions? What are the Post-COP 26 learnings?
- What are the benefits for industry leaders who use climate commitments and action as a value proposition to customers (and policy makers)?
- From the GLEC framework to an ISO standard on measuring transport and logistics emissions? Where are we now?

Moderator: **Nicolette van der Jagt**, Director General, CLECAT

Panel:

- **Kathrin Brost** | Global Head of GoGreen Program, DHL Global Forwarding
- **Angie Farrag-Thibault** | Project Lead, Clean Trucking - Road Freight Zero, World Economic Forum
- **Alan Lewis** | Technical Development Director, Smart Freight Center
- **Andreas Follér** | Head of Sustainability, Scania

17:30

Closing by **Willem van der Schalk**, CLECAT President
